F O R E W A R D

School year 1969-1970 has nearly ended. We look back on it with a feeling of pride and accomplishment.

We have welcomed many new classmates, and, sadly, said goodbye to old friends. Our faculty and administration has given us many responsibilities and challenges to increase our self-discipline and freedom of choice which we will need so much in the future. Academically we are presented excellent instruction, but hand in hand with this has gone the attempt to prepare us for living in a democratic society.

We have had the opportunity not only for academic accomplishment but the fun of watching our school spirit assert itself in supporting our "Cobras" and our inter-mural competition.

When you look through these pages think back to happy times - the Halloween Carnival, school dances, "no bell" policy, Senior AMBUSH DAY. And also think about how Itazuke High School has tried to mold us into being good, productive citizens.

Let us not overlook a well-deserved thank you to our parents, our friends, and our school for making our future a thing to anticipate with great confidence.

DEDICATION

DEDICATION

It is with sincere thanks that we dedicate this book to Mrs. Alice Swander who, to us, represents our excellent faculty. We appreciate what you have given us academically as well as your cheerful and peppy help in our extra-curricular activities.

PRINCIPAL' S MESSAGE

You have witnessed man's first successful landing and exploration of the moon during this school year 1969-1970. Our lives and the lives of all men will be forever affected by this accomplishment. It has been the fulfillment of a dream and yet it immediately opens new questions and present food for greater dreams. It is the sincere hope of each faculty member that we have somehow stimulated and assisted you in moving in the direction of continuing man's quest for knowledge and understanding.

BASKETBALL

THE MIGHTY COBRAS IN ACTION

"Basketball" a not-so-easy word to spell or define. How did this year's team spell it? Well let's see . . . Hustle . . . Work . . . Pride . . . and many other ways. How is basketball defined? Well, by teamwork, unity, a deep understanding between the coach and his players. How do you spell "Basketball?" Only this year's basketball coaches, Mr. Philpot and Mr. Leigh, and these players know.
